II. AMENDMENT TO THE SPECIFICATION

▪ Statement to Amended Specification

It is respectfully asserted that the amendments made herein to the specification and claims do not add new matter to the application.

▪ Amendment to the Specification

▪ Please insert before "In Fig. 2, a processor ..." on page 21 of the specification the following new paragraph:

B1 In step 625, a query is made as to whether the motion picture content displayed is for the display period.

Support for such amendment to the specification is found, among other places, at Fig. 6 with respect to demarcated 625.
